NOTICE

NOTICE is hereby given that an application will be made to the Legislative Assembly of the Province of British Columbia, at its next session, for an Act to amend *The Granby Consolidated Mining, Smelting and Power Company Act, 1901*, *The Granby Consolidated Mining, Smelting and Power Company Act, 1901, Amendment Act, 1904*, *The Granby Consolidated Mining, Smelting and Power Company Act, 1901, Amendment Act, 1906*, *The Granby Consolidated Mining, Smelting and Power Company Act, 1901, Amendment Act, 1936 (Second Session)*, and *The Granby Consolidated Mining, Smelting and Power Company Act, 1901, Amendment Act, 1959* as follows:—

1. By amending all of the above Acts to delete therefrom the words "The Granby Consolidated Mining, Smelting and Power Company Act, 1901" appearing in both the long and the short titles thereof, and to substitute therefor "The Granby Mining Company Limited Act," so that the names of those Acts and the Company's name will be the same.

2. By amending section 4 of the present Act to renumber that section as section 3 and by further amending the same to delete the reference therein to the issue by the Company of shares at a discount. The ability of the Company to issue shares at a discount is repugnant to those situations where the shares of a company have a nominal or par value as is the situation with respect to the Company's present shares.

3. By further amending said section 4 to provide that the liability of the members of the Company is limited.

4. (a) By declaring the present authorized capital of the Company and by providing that such may be altered from time to time pursuant to resolutions of the shareholders of the Company. The Company wishes to have the flexibility pertaining to its authorized capital that is available to all companies that are incorporated under the *Companies Act* of the Province of British Columbia, so that the Company may from time to time by resolution of its shareholders (without limiting)

- (i) vary, reorganize, increase, reduce, diminish, cancel, exchange, consolidate, and subdivide the whole or any part of its authorized capital (both present and future);
- (ii) vary, reorganize, increase, reduce, diminish, cancel, exchange, consolidate, and subdivide the whole or any part of the shares of the Company without nominal or par value (if any);
- (iii) convert the whole or any part of its authorized capital (both present and future), so that the Company is authorized to issue shares without nominal or par value, and to reconvert the same;
- (iv) create and attach to any of its issued and unissued shares, or any part thereof, any special rights, privileges, or restrictions; and

(v) vary or abrogate said rights, privileges, or restrictions.

At the present time the Company's existing authorized capital can only be increased pursuant to the approval of the Lieutenant-Governor in Council of the Province of British Columbia, and can only be otherwise altered by an Act of the Legislative Assembly of the Province of British Columbia.

(b) To accomplish the foregoing flexibility the present Act is being amended by the insertion therein of a new section 4, by the repealing of the present section 5 and the substitution thereof with a new section 5, by the repealing of the present section 39 and the substitution thereof with a new section 39, and by the enactment of a new section 40. Said section 40 also renders applicable to the Company certain sections of the *Companies Act*, *Revised Statutes of British Columbia*, 1960, as amended by the Statutes of 1961, 1962, 1963, and 1965, some of which said sections have applied to the Company since the Statutes of 1959, some of which said sections will be rendered applicable to the Company as being incidental to the flexibility aforesaid, and the balance of which said sections will render applicable to the Company various matters and requirements imposed upon or in relation to all companies that are incorporated under the said *Companies Act*, as amended by the said Statutes. Said section 40 will, however, delineate the manner in which some of the said sections shall be construed and applied to the Company so that the same shall be in conjunction with and in conformity to the provisions of "The Granby Mining Company Limited Act," as amended.

5. By amended section 9 of the present Act, as amended, by inserting therein subsections (3) and (4) to provide that a copy of the Company's by-laws be filed with the Registrar of Companies and that any alteration, amendment, repeal, supplement, or substitution thereto or thereof subsequent to that filing be similarly filed. At the present time the by-laws of the Company are not a matter of public record.

And such other amendments as shall be made by such Act.

NOTICE

NOTICE is hereby given that an application will be made to the Legislative Assembly of the Province of British Columbia, at its next Session, for an Act amending *The Victoria Foundation Act*, being chapter 70 of the Statutes of 1936, by substituting new sections 5, 9 (1), 10, and 11, by adding a new section 5A, and by amending section 13.

The old section 5 describes the Foundation's powers relating to donations received, leasing of lands, management of property, abandonment of donations, and contracting without making it clear that such powers were restricted to charitable objects. The new section 5 will make that restriction clear.

The new section 5A specifies particular charitable objects that the Foundation aims at.

The old section 9 (1) provided how members of the Advisory Board of the Foundation were to be appointed by pub-

lic officers. The new section 9 (1) will drop public officers who proved inaccessible and will substitute some quasi-public officers as appointors.

The old section 10, except as stated later, restricted the charitable objects to be assisted by the Foundation to inhabitants within 28 miles of the Victoria City Hall. The new section 10 enlarges this area to the County of Victoria. The old section 10 was probably intended to apply only to income, but did not make that clear, which the new section 10 will do.

The old section 11 allowed parts of donations to the Foundation to be distributed to charities outside Victoria and environs, to comply with the wishes of the donors. The new section 11 will emphasize that only exclusively charitable purposes are within the section, and that they must be within the Province.

Section 13 as enacted empowered the Advisory Board of the Foundation by unanimous resolution to apply capital for purposes named in section 10. The amendment will substitute the purposes named in section 5A, which will narrow the purposes for which capital can be applied.
